A NEW CHAPTER

EVENT SPONSORS

I'm honored to welcome you to the grand opening of Promenade Park. Together, we're celebrating a momentous occasion in Fort Wayne's history.

Promenade Park is a world-class attraction, intentionally designed to be a welcoming and accessible space for all. I hope you'll enjoy the experiences that we're providing during this free, three-day celebration commemorating our newest offering to residents and visitors. There will be a floating band performance, community art projects, a lighted boat parade, a butterfly release, and boat rides with spectacular views of our city.

You're part of a once-in-a-lifetime event as riverfront development is helping shape the future of Fort Wayne. By working together, we've become a point-of-destination community and region to live, work, and play. Our unique quality-of-life amenities are assisting us in our collective efforts to grow businesses, enhance economic development opportunities, revitalize our downtown, and invest in our neighborhoods.

I continue to be encouraged by the momentum and excitement we're experiencing in Fort Wayne. Thank you for doing your part to help ensure Fort Wayne's future is now as a thriving and successful city.
